

Reading Comprehension

The assessment will be divided into 5 sections.

For **assessment**, students will be assessed on their understanding of the stories read from

Wide Range Readers Blue Book 5:

- The Ski Race
- Mother Teresa
- Grandfather's Ship
- Eros
- The Seventh Climb
- When Anna Danced
- Reynard
- The Boy who Liked Music
- The Jar of Olives
- Deno All Alone

A. Understanding of the stories

Read all the stories over and over again and understand the main elements of the stories i.e., characters, settings, conflict (problem), main events and resolution (how the problem was fixed) of the stories.

B. Cloze Passage (select the correct words to fill in the blanks)

C. Comprehension

Comprehension Skills: Recall, Inferential, Deductive, Evaluative

Question Types: Answering in sentences, Multiple-Choice, True/False, Sequencing, matching, fill in the blanks, short and long answers

D. Vocabulary

Question Types: Multiple-Choice, True/False, Sequencing, matching, fill in the blanks, writing the meaning of the words learnt from all the stories.

E. Unseen Passage - students should be able to read and comprehend the text

Question Types: Multiple-Choice, True/False, matching, fill in the blanks, writing short answers in full sentences from an unseen passage.

General English

We will be using the **Cambridge Primary English Learner's Book** and **Activity Book** for the assessment. Please revise **Unit 1** and **Unit 2** of Learner's Book and Activity Book. The main topics that will be covered are:

- Fables, Parts of a fable and Story features
- Point-of-view
- Verbs
- Punctuation
- Using apostrophes
- Possessive pronouns and possessive adjectives
- Common Proverbs and their meanings
- Dialogue
- Figurative language
- Synonyms and antonyms
- Breaking a word into syllables
- Abbreviation
- Building sentences
- Using adverbials to improve sentences
- Prefix and root words
- Phrases and clauses
- Past tense

Question Types: Answering in sentences, Multiple-Choice, True/False, Sequencing, matching, fill in the blanks, short and long answers

Composition

The students will be asked to write in detail one of the following (in at least 250 words):

- A twist in the traditional tale (Chapter 1 writing)
- Writing your own fable (With all the features of a fable)

Spelling and vocabulary

Spelling List: Any 30 words will be picked from the following list:

vents	embryo	celebrate	equal	whirlwinds
fertile	shrivel	stereotype	unfriendly	Tropics
powerful	condition	infer	platforms	literal
commander	sawdust	dialogue	resort	accommodate
exaggerated	unscented	telescope	river bank	aggressive
rampart	sepal	biography	particles	vertex
governor	insects	feedback	pattern	angles
gladiators	production	refrigerator	monsoon	bargain
slaves	pollination	temperature	season	nectar
forts	pollen	erosion	prism	polygons

Spelling words: Capitalize the words **only** if they are proper nouns.

Meanings: The students will be required to write the meanings of any 20 words out of the 30 dictation words.

Sentences: The students will also be asked to make sentences[#] from any of the 10 words of their choice from the dictation of the selected 30 words.

Use the correct punctuation. (Capitalization, full-stops, commas, Question marks, exclamation marks)

*****Marks will be deducted for incorrect or missing capitalization and punctuation.**

Science

We will be using the book **Cambridge Primary Science Learner's Book 5 & Activity Book 5** for the assessment:

- Unit 1: Investigating Plant Growth
- Unit 2: The Life Cycle of Flowering plants

Please revise all the chapters of both the units (Text book, Activity book and Worksheets). All questions will be based on what has already been done in the class.

Question Types: The questions will be of multiple choice, matching, True or False and Fill in the Blanks (with clues), map work, drawing and colouring. There will also be some short answer and long answer questions.

Geography

We will be using the book **Collins Primary Geography - Change Pupil Book 5** for the assessment.

In Geography, please study the first three units:

- Unit 1: Seas and Oceans
- Unit 2: Wearing away the land
- Unit 3: The Seasons

Please revise all the chapters (Text book and Worksheets). All questions will be based on what has already been done in the class.

Question Types: The questions will be of multiple choice, matching, True or False and Fill in the Blanks (with clues), map work, drawing and colouring. There will also be short answer and long answer questions.

History

We will be using the book **Junior History Book 3** for the assessment.

In History, please study the first two Chapters:

- Chapter 1: Britain and Rome
- Chapter 2: Romans in Britain

Please revise all the chapters (Text book, Notebook notes and Worksheets). All questions will be based on what has already been done in the class.

Question Types: The questions will be of multiple choice, matching, True or False and Fill in the Blanks (with clues), map work, drawing and colouring. There will also be short answer and long answer questions.

Mathematics Paper 1: Cambridge Learner's, Skills builder and Challenge book

Unit 1A: Number and problem solving

1. **The number system (1)**
 - a. Place value
 - b. Ordering, comparing and rounding numbers
2. **Multiples, factors and primes**
 - a. Multiples and factors
 - b. Odd and even numbers
 - c. Prime numbers
3. **Multiplication and division (1)**
 - a. Multiply and divide by 10,100 and 1000
 - b. Mental strategies for multiplication
4. **More on number**
 - a. Addition of decimals
 - b. Division(1)
 - c. Number sequences

Mathematics Paper 2 & Mental Math:

(Cambridge Learner's, Skills builder and Challenge book and Math & You 5D book)

Unit 1B: Measure and problem solving

1. **Length**
 - a. Working with length
 - b. Drawing lines
2. **Time (1)**
 - a. Timetables
 - b. Calendars
3. **Area and perimeter (1)**

Unit 1C: Geometry and problem solving

1. **2D and 3D shape (1)**
 - a. Identifying polygons
 - b. Properties of 3D shapes and their cross-sections
 - c. Nets

Math & You 5D: Volume – Chapter 4, 5 and 6.

- **Mental Math** - Learn times tables from 2 to 15. There will multiplication and division questions. You will need to answer 50 questions in 7 minutes.

Mathematics is divided into two papers - **Paper I** and **Paper II**. For both the assessment papers, we will use Cambridge Primary Mathematics Learner's Book, Skill builder book and Challenge Book and Math & you 5D.

*****All questions will be based on what has already been done in the class.*****

Question Types: Please familiarise with the questions given in the books. The questions could be multiple choice, matching, True or False, Fill in the Blanks, drawing and colouring, short and long word problems. Remember to write all the steps and your answer in full sentence for short and long problems. Remember to write the units when necessary!
